

THEFT OF COMPANY PROPERTY

May 17, 2017

CASE OIG-I-2017-520

On April 28, 2017, an Amtrak Carman/Welder resigned after an investigation we conducted with the Amtrak Police Department disclosed that he had stolen company property and sold it for personal gain. The employee admitted that he had taken company-owned copper cables to a recycling yard and a rechargeable grinder to a pawn shop. Judicial proceedings are pending.
