

**MANAGER TERMINATED FOR DISCUSSING BID STRATEGIES
WITH VENDOR**

Activity Date: March 30, 2022

Date Posted: March 31, 2022

Case Number: DC-22-0149-HL-O

Web Summary: OIG-WS-2022-319

An Information Technology Manager based in Washington, D.C., was terminated from the company on March 30, 2022. We found that the manager violated company policies by discussing bidding strategies with a vendor and providing exclusive access to company facilities prior to the vendor submitting its bid to the company, giving the vendor an unfair competitive advantage.
