Web Summary: OIG-WS-2025-328

An Amtrak ticket/accounting representative based in Greensboro, North Carolina, was terminated from employment on March 27, 2025, following an administrative hearing. Our investigation found that the former employee violated company policy by allowing an unknown and un-ticketed individual to proceed to the train platform and put an unidentified package onto the train without knowing its contents. The package was subsequently found to contain illegal narcotics. The former employee is not eligible for rehire.
