NEW ORLEANS — The spouse of a former Amtrak employee, who now resides in Houston, Texas, was sentenced December 12, 2023, after pleading guilty to making false statements and theft of government funds related to the Coronavirus Aid, Relief, and Economic Security Act.

According to a press release from the U.S. Attorney's Office, Eastern District of Louisiana, Temika Santemore was sentenced to four months of probation and was ordered to pay a \$200 special assessment, serve 150 hours of community service, and pay restitution in the amount of \$187,027.86.

Santemore made false statements to the Small Business Administration to fraudulently obtain pandemic-related relief loans funded by the federal government, including Paycheck Protection Program loans. As a result, she received approximately \$13,540 in pandemic-related relief loans. Santemore also applied for an Economic Injury Disaster Loan from the SBA in July 2020 and illegally received \$5,000 for a dormant business she owned.

Her husband, Stacey V. Santemore, a former Amtrak train attendant, was sentenced for similar charges July 25, 2022, to three years' probation, 12 months' home confinement, and was ordered to pay restitution of \$64,874.64 to the SBA and \$22,725 to the Louisiana Workforce Commission.

In addition to the Amtrak Office of Inspector General, the case was investigated by the Department of Labor OIG and the FBI.
