**CONTRACTOR FALSIFIES SERVICING OF FIRE EXTINGUISHERS**  
**OCTOBER 1, 2014**  
**CASE OIG-I-2015-501**

We investigated a complaint that a contractor, responsible for servicing fire extinguishers on Amtrak's properties in Los Angeles, was not providing the contracted services. We observed the contractor tag fire extinguishers that were known to have deficiencies, as having been inspected, tested and found to be in good working order. Amtrak terminated the contract based on OIGs results.
