Step-by-Step Guide to Booking a Flight for a Friend on Delta Airlines

Here's the easiest way to do it:

1. Gather Passenger Information

Before you begin, make sure you have your friend's:

- Full legal name (exactly as it appears on their passport or ID)
- Date of birth
- Contact information (phone and email)
- Special travel requests (wheelchair assistance, seat preferences, frequent flyer number, etc.)

2. Choose Your Booking Method

You have three main options:

- **Online Booking (via Delta.com or Delta App):** Enter your friend's details when prompted for traveler information.
- **Phone Booking:** Call **1-877-245-9984 or 1-844-496-2820** and let a Delta agent handle the process. This is ideal if you're worried about mistakes.
- **Travel Agency or Airport Counter:** Book in person and specify that the ticket is for your friend.

3. Payment and Confirmation

You can use your own credit card to pay for your friend's ticket. The confirmation email will usually go to the address you provide, but you can also enter your friend's email so they receive updates directly.

4. Share Travel Details

Forward the confirmation number (also called a **PNR** or booking reference) to your friend so they can check-in, select seats, or add baggage later.

If you have any trouble, calling **1-877-245-9984 or 1-844-496-2820** ensures that Delta customer service resolves the booking instantly.
