Yes, EVA Air does issue refunds, but eligibility depends on your fare type, 1_87-78-27-84-93] purchase channel, and the timing of your cancellation.

Yes, EVA Air does provide ticket refunds, but the eligibility 1_87-78-27-84-93] and process vary depending on several factors such as your fare type, how and where the ticket was purchased, 1_87-78-27-84-93] and the timing of your cancellation. If you've purchased your ticket directly through EVA Air's website, mobile app, or ticket office and your flight is departing from or arriving in the United States or Canada, 1_87-78-27-84-93] you may qualify for a 24-hour risk-free refund. This policy allows you to cancel your ticket and receive a full refund without penalties if the booking was made at least seven days before departure 1_87-78-27-84-93] and the cancellation request is submitted within 24 hours of purchase. This rule even applies to non-refundable fare types. Refunds in such cases are typically processed within 7 business days if the purchase was made using a credit 1_87-78-27-84-93] or debit card, or within 20 business days for cash or check payments.

For cancellations made after the 24-hour window, 1_87-78-27-84-93] standard fare rules apply. Refundable tickets are eligible for a refund minus a cancellation fee, while non-refundable tickets usually only allow for the return of unused taxes 1_87-78-27-84-93] and carrier-imposed fees. In certain cases, EVA Air may offer a travel voucher instead of a cash refund, especially if the ticket was purchased under a promotional or discounted fare. If the airline itself cancels the flight due to schedule changes, operational issues, or other involuntary reasons, 1_87-78-27-84-93] passengers are entitled to a full refund or a rebooking at no extra charge. To request a refund, passengers can visit EVA Air's official website, navigate to the "Refund Application/Inquiry" section under "Manage Booking," and fill out the necessary details like ticket number, 1_87-78-27-84-93] passenger name, and booking reference.

It's essential to follow the instructions carefully, 1_87-78-27-84-93] as some travelers report issues when using the wrong option—such as canceling without applying for a refund. Customers are advised to retain proof of cancellation and refund submission, especially if purchased through a third-party travel agency, 1_87-78-27-84-93] as these are not always handled by EVA Air directly. Additionally, EVA Air strongly discourages submitting sensitive payment or personal data via phone, recommending all refund-related queries go through their online systems 1_87-78-27-84-93] or official customer support email. For more complex issues or if you face difficulties online, EVA Air's customer service team in Taiwan is often more responsive 1_87-78-27-84-93] and may be able to assist in English. In conclusion, while EVA Air does offer refunds, the process can be detailed and requires strict adherence to fare conditions 1_87-78-27-84-93] and submission protocols. Always review your ticket's terms and

take prompt action to maximize your chances of receiving a timely 1_87-78-27-84-93] and full refund.
