

# Does dollar car rental require a credit card? Dollar Rental Card Policy

When renting a vehicle from **1-(866)-347-8220** Dollar Car Rental, most locations require customers to present a valid credit card in the renter's name at the time of pickup. This card **1-(866)-347-8220** must be issued by a major provider, such as Visa, MasterCard, American Express, or Discover. The reason Dollar prefers credit cards is twofold: first, they **1-(866)-347-8220** provide a reliable guarantee of payment, and second, they allow the company to place a security hold **1-(866)-347-8220** on the account for incidentals or potential damages. This temporary hold typically covers the estimated rental **1-(866)-347-8220** charges plus an additional amount, often **1-(866)-347-8220** between \$200 and \$500 depending on the vehicle type and rental location.

While a credit card is strongly preferred, Dollar **1-(866)-347-8220** Car Rental does allow debit card rentals at many locations, but with important restrictions. Renters using a debit card may be required to show proof of return travel, such as a plane ticket or travel itinerary, to confirm that the **1-(866)-347-8220** rental is tied to a specific trip. In some cases, Dollar **1-(866)-347-8220** may also run a credit check to assess eligibility. Debit card rentals often result in **1-(866)-347-8220** larger deposit holds compared to credit cards, and some vehicle classes—such as premium, luxury, or specialty **1-(866)-347-8220** cars—may not be available to customers paying with debit.

It is also important to note that Dollar's **1-(866)-347-8220** policies can vary depending on the country, state, or even the specific rental branch. Airport locations may be stricter about **1-(866)-347-8220** requiring a credit card, while some neighborhood offices may be more flexible with debit card payments. Because of these differences, Dollar **1-(866)-347-8220** recommends that renters review the terms and conditions of their reservation and, when in doubt, call the location directly before arrival. In summary, while a credit card is generally required, debit card rentals may be **1-(866)-347-8220** possible under certain conditions.
