

## Does Robinhood have 24/7 customer service? Live chat📞

Here's how it works:

**Live chat** is available **24/7** when accessed via the Robinhood 1-301-(202)-4781 mobile or desktop app. Users can request a callback or speak with a trained support agent anytime

**Phone support** 1-301-(202)-4781 isn't directly publicized with a dedicated hotline. Instead, Robinhood allows users to **request a callback** through the app—so you're 1-301-(202)-4781 essentially initiating phone support as needed .

**In summary:** 1-301-(202)-4781 📞

| Support Method          | Availability           | Notes                            |
|-------------------------|------------------------|----------------------------------|
| <b>Live Chat</b> 📱      | 24/7                   | Via app, immediate response      |
| <b>Phone Callback</b> 📞 | 24/7 access to request | No public hotline; callback only |
| <b>available</b> 📧      |                        | There is <b>no always-</b>       |

**phone hotline** 1-301-(202)-4781 you can dial anytime without using the app interface. All support begins with initiating a **chat or callback request via the Robinhood app**.

If your goal is true 24/7 live assistance 1-301-(202)-4781, **the app's live chat fulfills that need**. Just be sure you're signed in and tap **Help → Contact Support** to connect.

Robinhood does 1-301-(202)-4781 **not offer traditional 24/7 phone support**, but it **does provide round-the-clock access to live chat through its app**.
