## How to Speak Directly With Robinhood by Phone

Robinhood has introduced phone support to address the growing demand for real-time assistance. Here's how you can speak directly with a representative:

### 1. Using the Robinhood App to Request a Call

Robinhood's preferred method is for users to request a call through the app. Here's how:

Open the Robinhood App.

Tap the Account icon (usually at the bottom right).

Select "Help" or "Support."

Search for your issue or select a topic.

Scroll down and tap "Contact Us."

Choose "Phone" as your contact method.

Enter your phone number and details about your issue.

Submit your request.

A Robinhood representative will call you back, usually within a few minutes. This method ensures your account is verified and your issue is routed to the right team.
