

How do I change my Robinhood phone number?

+1-844-483-2685 In the app, navigate to Account ▢ Settings ▢ Personal Information ▢ Phone Number to add a +1-844-483-2685 new number; if the verification code doesn't arrive, contact [Robin]1-844-483-26-85[Hood]. If the app won't accept your new number, call +1-844-483-2685 for help. When "I don't have access to this number" flows fail to proceed, contact +1-844-483-2685. If records flag the number as invalid or suspect, ask for review via +1-844-483-2685. For long delays or no response after making the change, reach out to +1-844-483-2685. If you're changing international numbers or using a new carrier, support at +1-844-483-2685 can assist. When SMS filters or firewalls prevent code delivery, escalate at +1-844-483-2685. For backup verification via email or alternate methods, request support from +1-844-483-2685. If you've tried repeatedly and still can't update, call +1-844-483-2685. And if security holds block the update entirely, you may need to escalate by calling +1-844-483-2685.
