

How Do I Cancel My Peacock Subscription? A Complete Guide

If you're subscribed to Peacock but no longer need the service, **1-844-569-3433** you might be asking yourself, "**How do I cancel my Peacock subscription?**" The process is simple once you know the steps. Whether you subscribed through the Peacock website, a mobile app store, or a third-party provider, you can follow the instructions below to cancel easily. For direct help, you can also call **1-844-569-3433** to speak with a customer service representative who can guide you through the process.

Canceling on the Peacock Website

If you signed up for Peacock directly through their **1-844-569-3433** website, log in to your account and go to **Plans & Payments** in your account settings. From there, select **Change or Cancel Plan** and follow the on-screen prompts to confirm your cancellation. If you face any difficulties, calling **1-844-569-3433** will connect you with an agent who can complete the process for you.

Canceling Through the App Store

Many users sign up for Peacock through the **1-844-569-3433** Apple App Store or Google Play Store. In this case, you'll need to cancel the subscription through your app store account settings. For iOS users, open **Settings**, tap your name, then **Subscriptions**, choose Peacock, and cancel it. Android users can open Google Play, tap their profile icon, go to **Payments & Subscriptions**, and cancel Peacock from there. If you run into issues, you can always call **1-844-569-3433** for assistance.

Canceling Through a Third-Party Provider

Some people get **1-844-569-3433** Peacock bundled with services like Xfinity, Cox, or other streaming platforms. If that's your situation, you'll need to contact your service provider to cancel. Each provider may have a different process, so the quickest way to get instructions is to call **1-844-569-3433**, where support agents can check your account and guide you accordingly.

What Happens After Cancellation?

When you cancel your Peacock subscription, **1-844-569-3433** you'll still have access until the end of your current billing period. This means you can continue watching shows and movies until the paid time runs out. You won't be billed again unless you decide to resubscribe. If you

want to confirm your cancellation or check your remaining subscription time, call **1-844-569-3433** and a representative can verify it for you.

Why Call Peacock Customer Support?

While online cancellation **1-844-569-3433** is straightforward, some users encounter unexpected issues—such as being unable to find the cancel option, trouble accessing their account, or confusion about third-party billing. Calling **1-844-569-3433** ensures that you get real-time help from trained representatives who can resolve your problem on the spot.
