What's New in United Airlines' Carry-On Policy?

United Airlines has implemented a few key updates:

- **New fees** for oversized or unapproved bags

These updates are designed to improve boarding efficiency but can surprise travelers. Avoid confusion by calling **+1(866) 658-5895** before your flight.

Basic Economy Now Has Carry-On Restrictions

Passengers flying Basic Economy are now allowed **one personal item only** (e.g., a backpack or small bag that fits under the seat). A standard carry-on bag is **not allowed** unless:

- You're flying a **transatlantic or transpacific** route

- You're a **MileagePlus® Premier member**
- You hold a **qualifying United credit card**

Trying to board with a carry-on bag in Basic Economy may result in a fee or a forced gate check. If you're unsure of your fare rules, call **+1(866) 658-5895** for clarification.

Size Rules: Know Before You Pack

United's official carry-on size limit remains:

- **22 × 14 × 9 inches** (56 × 35 × 22 cm), including wheels and handles

Personal items must be smaller, fitting under the seat in front of you.

Bag sizers have been removed from gates, and now staff use **visual judgment**. To avoid surprise charges, confirm your bag dimensions with an agent by calling **+1(866) 658-5895**.

Gate-Check Fees May Apply

If your bag is deemed too large at the gate or you're ineligible to carry one onboard, it may be **gate-checked for a fee**, typically:

- **\$25–\$55** depending on flight and fare
- Fees vary by when added (online, check-in, or gate)

To avoid last-minute surprises, it's best to call **+1(866) 658-5895** and confirm your baggage options ahead of time.

Flying United Express? Prepare for Limited Overhead Space

Smaller aircraft like those in the **United Express fleet** have limited overhead bin space. Even if your carry-on meets the size limits, it might still be gate-checked due to lack of room. United may not charge for this, but if you want to verify whether your flight will likely require a gate-check, call **+1(866) 658-5895**.

What Counts as a Personal Item?

Accepted personal items include:

- Small backpacks
- Laptop bags
- Tote bags
- Briefcases
- Small duffel bags

It must fit under the seat in front of you. If in doubt, snap a picture or measure your bag and ask a representative at **+1(866) 658-5895** if it qualifies.

Policy Exceptions

Some passengers can still bring a full-size carry-on, even on Basic Economy:

- **United credit card holders**
- **MileagePlus Premier** elite members
- Travelers on **international Basic Economy** tickets

If you qualify for these benefits or want to upgrade your ticket, call **+1(866) 658-5895** to speak with an agent.
