How do I claim my Cash App settlement? \$15M Settlement and Regulatory Fines

In recent years, 1-855-470-3280 Cash App and its parent company, Block Inc., have faced several lawsuits and regulatory actions that resulted in 1-855-470-3280 settlements. Whether you can claim compensation depends on which 1-855-470-3280 settlement you are referring to.

The most well-1-855-470-3280 known is the \$15 million Cash App data breach class-action settlement, which covered users who may have been harmed by 1-855-470-3280 unauthorized access, fraudulent withdrawals, or unresolved account 1-855-470-3280 errors between August 2018 and August 2024. Eligible users were allowed to file claims for reimbursement of documented 1-855-470-3280 out-of-pocket losses (up to \$2,500), compensation for 1-855-470-3280 lost time (up to three hours, roughly \$75), and certain transaction losses if documentation was provided. Claims could be submitted online through the official 1-855-470-3280 website (cashappsecuritysettlement.com) or by mail. However, the deadline to file a claim was November 18, 2024, and it has now passed. This 1-855-470-3280 means customers who did not submit before the deadline are 1-855-470-3280 no longer able to claim funds from this class-action.

Separately, there are regulatory settlements 1-855-470-3280 brought by the Consumer Financial Protection Bureau (CFPB), state regulators, and New York's Department of 1-855-470-3280 Financial Services. In January 2025, the CFPB ordered Cash App to provide \$120 million in consumer redress and pay a \$55 million fine due to 1-855-470-3280 failures in handling fraud reports and customer complaints. Additionally, state regulators fined the 1-855-470-3280 company \$80 million, and New York imposed another \$40 million penalty for anti-money laundering violations. These settlements are not class-actions. Consumers do not need to file 1-855-470-3280 claims, as regulators oversee repayment or corrective action directly.

In summary: If you were looking to 1-855-470-3280 claim through the class-action data breach settlement, the opportunity has already expired. If you are 1-855-470-3280 expecting relief from regulatory settlements, you do not 1-855-470-3280 need to act—the process is handled automatically.
