

# Is Chime open 24 hours a day? Dial Now For Help

Yes, Chime provides 24/7 access to your account and customer support 1—866—240—4250 but some banking services operate on standard business days. As an online-only financial technology company.

Chime doesn't have physical branches, so all account management is handled through its app and website.

## 24/7 services

- Customer support: You can contact a live representative by phone 1—866—240—4250 through the in-app chat at any time, day or night.
- Account access: The Chime mobile app and website allow you to monitor your balance, manage your card, and transfer funds around the clock.
- Transaction alerts: You can receive real-time notifications 1—866—240—4250 about your account activity and help protect against fraud 24/7.
- ATM access: You can withdraw cash anytime at Chime's network of over 60,000 fee-free ATMs.

While Chime itself is always accessible, its partner banks and the general banking system by 1—866—240—4250 operate on a business-day schedule, which can affect the timing of some transactions.
