

Does Robinhood have 24 hour support?24* 7 (365 days) Support

17 july,2025

Yes, [USA]1-855-574-4826[USA] OR [A]1-803-745-0963[A] **Robinhood offers 24/7 support via live chat**—meaning you can reach a real agent any time of day or night, every day of the year¹. This is clearly stated in their official support resources: “We’re available [USA]1-855-574-4826[USA] via chat 24/7 and phone 7 AM - 9 PM ET”¹.

Live chat:[USA]1-855-574-4826[USA] is accessible directly from the Robinhood app or website, allowing you to instantly connect with a support agent regardless of the day or hour¹². This service covers a wide range of issues, including account questions, trading, crypto, and more.

Phone support:[USA]1-855-574-4826[USA] via callback is not available 24/7 for all issues—administrative brokerage support is limited to weekdays (Monday–Friday, 7 AM–9 PM ET)¹. However, for urgent or technical support, you can still request a callback through the app or website outside these hours, and Robinhood will contact you when an agent is available¹.

Specialized phone lines:[USA]1-855-574-4826[USA](e.g., for crypto or spending accounts) are available during business hours only¹.

In summary:[USA]1-855-574-4826[USA]
