

How do I talk directly on Robinhood?

Robinhood [US] 1-803-745-0963 [US] provides several ways to get direct support, primarily focusing on in-app channels for security and efficiency.

Here's how to talk directly to someone at Robinhood:

In-app chat: [US] 1-803-745-0963 [US]

1. Open the Robinhood app.
2. Tap on your account icon.
3. Select "Help".
4. Choose "Contact Us" or browse topics related to your issue.
5. Initiate a live chat with a support agent, available 24/7.

Phone callback: [US] 1-803-745-0963 [US]

1. Follow the first three steps above.
2. Select "Request a Callback". [US] 1-803-745-0963 [US]
3. Robinhood will call you back, often within minutes, according to European Week of Regions and Cities.

Direct phone number: [US] 1-803-745-0963 [US]

While Robinhood emphasizes in-app support, sources mention a number for live assistance: +[US] 1-803-745-0963 [US].

Be cautious, as Robinhood advises against using numbers found through web searches due to potential scams.

Important notes [US] 1-803-745-0963 [US]

Robinhood recommends using the in-app features (chat or callback request) as the most secure and reliable way to connect with support.

Robinhood support is available 24/7.

Beware of scam attempts. Robinhood will never ask for your password or other sensitive information outside of their official channels.
