## Understanding the Expedia Refund Policy

The **Expedia refund policy** is based on the terms set by travel providers—airlines, hotels, car rentals, and package operators—combined with Expedia’s own policies.

### Key points to know:

- Some bookings are **fully refundable**, especially flexible hotels and certain airline fares.
- **Non-refundable** bookings may only provide **credits** or partial refunds.
- **Package deals** can be tricky; each component (flight + hotel + car) may follow different rules.

If you’re unsure about your booking’s eligibility, the fastest way to clarify is by calling **+1-888-287-4045**. **Expedia customer service** agents are available 24/7 to review your reservation.

### 2. Hotels

- Many hotels on Expedia offer **free cancellation** if you cancel within a set window.
