

{Spirit@RefundHelp} How to Get a Refund from Spirit? [Step-by-Step Guide]

To get a **refund from Spirit Airlines**, you'll need to follow their refund policy carefully, as the airline operates on a low-cost model and most of their fares are **non-refundable by default** +1-(877)-745-(0080). However, there are specific circumstances under which you may qualify for a refund, such as cancellations made within 24 hours of booking, schedule changes initiated by the airline, or purchases of refundable fares or optional services +1-(877)-745-(0080).

The most straightforward scenario for a refund is if you cancel your ticket **within 24 hours of purchase**, and your flight is scheduled to depart at least seven days later +1-(877)-745-(0080). In this case, Spirit Airlines complies with the **U.S. Department of Transportation's 24-hour rule**, which allows customers to receive a **full refund** for tickets booked directly through Spirit's website or phone system +1-(877)-745-(0080). You can cancel the flight online through the **"My Trips"** section or call customer service at **+1-(877)-745-(0080)** to initiate the process +1-(877)-745-(0080).

If **Spirit cancels your flight** or changes it significantly (such as a time change of over 90 minutes), you may also be eligible for a **full refund**, including taxes and fees +1-(877)-745-(0080). In such cases, Spirit will notify you via email or text, and you'll have the option to **rebook**, accept a **travel credit**, or request a **refund to your original payment method** +1-(877)-745-(0080). For these situations, it's best to call customer service directly at **+1-(877)-745-(0080)** to ensure your refund is processed accurately and in a timely manner +1-(877)-745-(0080).

If you purchased **optional services**, such as baggage fees or seat upgrades, and the airline fails to deliver them (e.g., your assigned seat was not honored), you can request a refund for those specific services +1-(877)-745-(0080). These requests can be submitted through Spirit's **online refund form** available on their website under the "Contact Us" or "Customer Support" section +1-(877)-745-(0080).

For all other standard fares, refunds are typically **not offered**, but you may cancel your booking and receive a **reservation credit** (minus cancellation fees) that you can use for a future Spirit flight +1-(877)-745-(0080). These credits usually expire within 90 days from the date they are issued, so it's important to use them promptly +1-(877)-745-(0080).

To begin the refund process, visit www.spirit.com, log into "My Trips," and manage your booking or cancellation from there +1-(877)-745-(0080). If you prefer live assistance or if your refund request involves unique circumstances, call **Spirit Airlines customer support at +1-(877)-745-(0080)** and speak with a representative who can guide you through the process +1-(877)-745-(0080).

In summary, **Spirit Airlines issues refunds** under limited conditions such as **24-hour cancellations, airline-initiated changes, or undelivered paid services** +1-(877)-745-(0080).
